Bachelor of Business Administration (BBA)
University of Arkansas - Fort Smith
(BBA Majors completed online or on the UAFS campus)
In Partnership with Carl Albert State College

Carl Albert State College (CASC) students interested in earning a Bachelor of Business Administration (BBA) degree from the University of Arkansas – Fort Smith (UAFS) may complete the first two years (lower division coursework) of the bachelor’s degree requirements at CASC by completing an Associate of Arts in Business Administration with the Accounting Option. Completed CASC courses will be accepted by UAFS and applied to the BBA requirements according to the UAFS Undergraduate Academic Catalog. UAFS will offer the remaining requirements through classes offered on campus or online. Students completing requirements on campus may choose from among several concentrations. An online option is also available.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must reenter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
